

I can animate Goversheet

Organisation/Planning

Group Roles:

Background and Prop creation : **all group members**

Camera Person: _____

I Can Animate Operator: _____

Animation Mover 1: _____

Animation Mover 2: _____

Editing in imovie: **all group members**

A brief **description** of the **story** you will be telling...

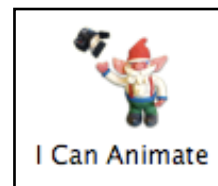

Please attach your storyboard sheet to the back

- ☐ Quality check by your group
- ☐ Quality check by Miss Shelton

You will need:

- ☺ An animated title ☐
- ☺ Your story to be told using I Can Animate ☐
- ☺ Music, voice over, sound effects and credits ☐

We are striving for accuracy and quality. You need to constantly review your animation against the rubric and see if there are things you can do better or change so your project is high quality.

You will be assessing yourself and the teacher will also be assessing you according to the following criteria:

- ☺ A clear story line, or message
- ☺ A well-developed storyboard
- ☺ Whether you have created detailed and realistic characters and set
- ☺ How well you have mastered 'I Can Animate' - in other words, is your animation smooth? The overall quality of your animation...have you strived towards the "animator" level or are there things that you could have done better?
